

Dear Parents,

At St. Robert Bellarmine School we are trying to participate in improving our environment and go green. In addition, we want to keep up with today's technology.

Mr. Rosena and Miss. Rufus will be having the students in the 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> grade classes submit certain classroom assignments and homework documents through email. In addition, the assignments and homework will be graded and sent back to the student via email. We are asking parents to setup a "free" email account through Yahoo.com or use an existing email account. This email account is to be used specifically for St. Robert Bellarmine School purposes only. You should monitor their activity as needed and be able to view their graded documents.

If you give your consent please sign and have you child sign this document and return it to Mr. Rosena. If you do not consent please write a brief explanation on why and have you child also return it to Mr. Rosena. Thank you for your support.

**In addition, each student should bring into computer class each day a USB Flash Drive to store all their documents.**
